SI-663R In-wall/LCR Speaker 3 290,00 €

Galerie

Description courte du produit

The reference version of the SI-663, the SI-663R is designed for demanding custom installations where a center channel cannot be used or is intentionally removed for design considerations. When wired for dual channel operation, a pair of the SI-663R reference in-wall speakers can provide a discrete and dedicated center channel from the left and right speakers
