Description courte du produit

An upgrade to the sound performance of the VA-615, the in-ceiling VF-615 utilizes a woven fiberglass woofer and an aluminum dome swivel tweeter to offer uncompressed, accurate full-range sound. In addition to its unobtrusive design, the VF-615 also incorporates dual sound contour switches to allow the speaker's sound quality to be optimized for each installation.

Description du produit

Model Name:VF-615
